Change Password:

1. Click on Change Password option to change the password to login to the system.
2. On change password screen user has to enter old password, new password and confirm password to change the new password

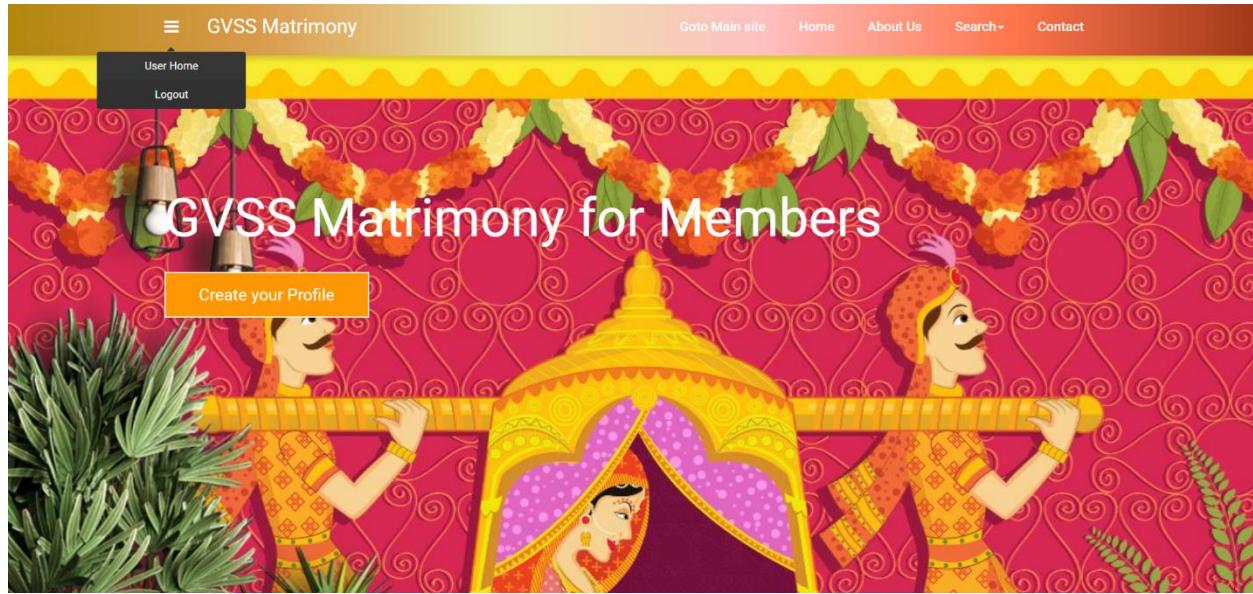

The screenshot shows a user interface for managing user profiles. At the top, there is a navigation bar with a house icon and the text 'User Home'. Below the navigation bar is a horizontal menu bar with three items: 'Account', 'Create Profile', and 'Search'. The 'Account' item is highlighted with a yellow background. Under the 'Account' menu, there are two options: 'Update User Profile' and 'Change Password'. The main content area displays a table of user profiles. The table has columns for 'Name', 'Mobile', 'Age', 'Status', and 'Action'. There are two rows of data in the table. The first row corresponds to the 'Update User Profile' option in the menu, and the second row corresponds to the 'Change Password' option. The 'Action' column for the first row contains three buttons: 'View' (green), 'Edit' (blue), and 'Upload Photos' (blue). The 'Name' column for the first row contains the text 'DIVYA SAI VELIDIMALLA'. The 'Mobile' column for the first row contains the number '8008253434'. The 'Age' column for the first row contains the number '24'. The 'Status' column for the first row contains the text 'Active'. The 'Action' column for the second row contains three buttons: 'View' (green), 'Edit' (blue), and 'Upload Photos' (blue). The 'Name' column for the second row contains the text 'DE001'. The 'Mobile' column for the second row contains the number '8008253434'. The 'Age' column for the second row contains the number '24'. The 'Status' column for the second row contains the text 'Active'.

		Name	Mobile	Age	Status	Action
Update User Profile	DE001	DIVYA SAI VELIDIMALLA	8008253434	24	Active	View Edit
Change Password						Upload Photos

Upon successful Login:
